

2017 Alabama Strategic Highway Safety Plan Summit

December 7-8, 2017

What is the Alabama Safety Summit?

The Alabama Safety Summit is a conference dedicated to reviewing the State's progress in reaching our goal of lower fatalities and lower serious injuries. It is an opportunity to learn from safety professionals and exchange ideas regarding safety culture, at-risk issues, emerging technology, and more.

Who should attend?

Anyone who participates in traffic safety operations and planning should attend the Alabama Safety Summit. This includes, but is not limited to:

- Law Enforcement
- Public Works & Engineering Staff
- State DOT Employees
- Consultants
- Planners
- Government Representatives
- Educators
- EMS

How much does it cost?

Registration is \$35 per person until November 22 and \$45 per person until online registration closes on December 5. Registration includes:

- all conference activities and materials
- breakfast and lunch for both days
- parking

You can register at <http://bit.ly/2xxXhV1>.

Where is it located?

The Alabama Safety Summit will be held at the Bryant Conference Center on the University of Alabama's main campus. The Conference Center's address is:
