PRESIDENT'S MESSAGE

The Alabama Section/Division is in transition. What does this mean? Basically the new Section bylaws are in the hands of the District 5 Executive Board awaiting approval. The Executive Board will meet early in December and take action to approve the Alabama Section bylaws and issue the Alabama Section Charter. The Division will officially become a Section on January 1, 1989. Until then, we are in a state of transition. The AD HOC Section Transition Committee, chaired by Don Arkle, is busy with logo, letterhead, banner and award plaque changes. The Past President's Committee, chaired by Joe Robinson, is busy with IRS tax exempt paperwork and studying ways to change our June to June operating calendar to the calendar year without disrupting the traditions of the Division.

I anticipate a busy and demanding year and hope to provide the leadership and guidance you expect from the office of President. I appreciate this opportunity to serve, and in the same breath encourage each of you to participate in the various Section functions. Together we can achieve great things.

I hope to see each of you at the Fall meeting in Montgomery on October 6th. Best Wishes.

David Griffin

ANNUAL BANQUET:

A seafood buffet was enjoyed by the Alabama Division and their guests following the invocation given by Don Arkle. President Long presented the Auburn ITE Student Chapter with a check for $125.00 to offset the cost of support services that the Student chapter provides the Alabama Division.

Jerry Reeves presented the 1988-89 Charles E. Alexander Transportation Scholarship to Mr. Curtis Lineberry of the University of Alabama. Mr. Lineberry said a few words and thanked the Alabama Division for selecting him to receive this scholarship.

President Long presented the Transportation Engineer of the Year Award to Joe Robinson, Director of Transportation with the City of Tuscaloosa, Tuscaloosa, Alabama. Local Arrangements Chairman Gary Dennis reported that 142 members and guests were seated at the banquet.

The Tellers Committee's report was given by Chairman Ed Watt as follows:

President: David R. Griffin
Vice President: Don T. Arkle
Secretary-Treasurer: Harold Raynor

President Long announced the outcome of the Affiliate election as follows:

Affiliate Director: Dewitt Williams
Assistant Affiliate Director: James Pollock

President Long made a short farewell speech and thanked the Alabama Division for their support during the past year.

Southern Section President Ed Watt administered the Oath of Office to the 1988-89 Alabama Division officers.

President Griffin presented Rod Long with the Past Presidents Plaque.

President Griffin announced that the fund raising auction for the scholarship would be held in the banquet room immediately following adjournment.

BUSINESS MEETING:

1. CALL TO ORDER:

The business meeting was called to order by President Griffin at 12:34 p.m.

(continued page 5)
2. OFFICER'S REPORT:

President Griffin introduced the 1988-89 Board of Directors as follows:

President: David R. Griffin  
Vice President: Don T. Arkle  
Secretary-Treasurer: Harold Raynor  
Past President: Rod Long  
Affiliate Director: Dewitt Williams  
Assistant Affiliate Director: James Pollock  
District 5 Representative: Richard Kramer

President Griffin called for corrections of the minutes of the Spring Meeting as presented in the last newsletter. There being none, a motion was made and seconded to approve the minutes as written. The motion passed on a voice vote.

The Secretary-Treasurer's report was given by Don Arkle detailing receipts and expenditures since the Spring Meeting and announced a current treasury balance of $1,684.33. He also reported membership activities since the Spring Meeting noting the admission of two members and seven affiliates. The total membership presented was 66 Members and 130 Affiliates for a total membership of 198.

Mr. Arkle introduced the new members who were in attendance. A motion was made to accept the Secretary-Treasurer's report and it was passed by a voice vote.

3. COMMITTEE REPORTS:

Local Arrangements Chairman Gary Dennis reported that there were 79 full registrations and 142 in attendance at the banquet. The floor was opened for discussion concerning a meeting place for the annual meeting. It was noted that the bylaws state that an annual meeting must be held and the standard operating procedures state that the meeting should be held in Gulf Shores. Comments concerning the hotel meeting facility were solicited. Bob Wolfe made a motion to authorize the Board of Directors and Gary Dennis to work together in selecting the location in Gulf Shores for the next annual meeting. The motion carried. President Griffin commended Mr. Dennis and his staff on their outstanding work in providing the annual meeting.

Legislative Committee Chairman Don Arkle reported on the legislative reception that was co-sponsored by the Engineering Societies. Mr. Arkle noted that approximately 70 legislators attended and was deemed a very successful reception. Mr. Arkle noted that the Status of Reposed Bill, Developmental Highways Bill, and a bill to create a Highway Commission all failed in the legislature during this session. President Griffin gave a report for the Site Selection Committee. The Committee recommended that the Fall 1988 Meeting be held in Montgomery and the Spring 1989 Meeting be held in Huntsville. A motion was made and carried. A recommendation was made that the Fall 1989 Meeting be held in Montgomery and the Spring 1990 Meeting be held in Dothan.

Dan Turner reported on the Scholarship Fund. Dr. Turner noted that the goal for the Scholarship Fund was $20,000.00 over a four-year period. He noted that the fund has approximately $12,000.00 on account and that three scholarships in the amount of $1,000.00 had been provided in the last two years. A copy of the committee report was submitted and attached to the minutes. It was noted that an article will be presented in the ITE Journal about the Alabama Scholarship Fund. Dr. Turner also solicited contributions toward the Scholarship Fund.

Technical Committee Chairperson Nancy Hudson gave a report on her committee. The committee had conducted a survey of well-educated people and found that 59% could not get 70% of the questions right. She stated that the committee would continue their goal to educate the public.
Past President Rod Long reported for Lisa Alexander on the History and Heritage Committee. Mr. Long noted that during the past year, the report has been in a review stage. The report is now approximately 98% complete. The Tellers Committee report was presented by Ed Watt. The bylaws passed by 98% of the vote and the new logo was adopted by a vote of 26 to 12. Mr. Bob Wolfe recognized Mr. Vic McSwain and Mr. Watt for their hard work in bringing about the upcoming organizational changes. Mr. Wolfe made a motion to have a new banner by the next Annual Section Meeting and to display both banners at Section functions with an ending date of 1988 noted on the old banner. The motion was seconded and carried.

David Griffin announced that he would form an Ad Hoc Committee to study housekeeping items related to the transition from a Division to a Section and asked Bob Wolfe if he would serve on the committee.

4. OLD BUSINESS:

None

5. NEW BUSINESS:

President Griffin announced the chairman of committees for the upcoming year. A complete listing of committees and members will be published in the next newsletter.

A motion was made by Dan Turner to direct the Board of Directors to author and submit a Transportation 2020 paper in line with the seven points discussed during the Technical Session. A motion was seconded and carried by voice vote. President Griffin asked for discussion concerning the tax exempt status of the Alabama Section. Bob Wolfe made a motion that a committee be appointed to proceed with obtaining tax exempt status within the next six months and that the committee report at the Fall Meeting. The motion was seconded and passed by a voice vote.

6. COMMENTS FROM THE FLOOR:

None

7. ADJOURN:

President Griffin called for a motion to adjourn. The motion was made, seconded and unanimously approved. The meeting was adjourned at 1:14 p.m.

Respectfully submitted,

Don T. Arkle

AFFILIATE NEWS, ETC.
by Dewitt Williams

Congratulations to affiliate R. E. "Rick" Mook on his recent promotion to Civil Engineer I with the State Highway Department in Montgomery.
Rick is now the Assistant A&S Engineer in the Design Bureau and will be handling railroad-related accident data and various other traffic safety related duties.

SPECIAL CONGRATULATIONS go to Amy Davis McDonald, P.E., and prospective affiliate. Recently Amy became the FIRST LADY DIVISION TRAFFIC ENGINEER with the State Highway Department, assuming this assignment in July in the First Division at Decatur.
Amy attended Gardendale High School in Jefferson County and later graduated from Auburn University with a B.S. Degree in Civil Engineering. While attending college she worked on the State's Engineering Education and Training Program (EETP) and, after graduation, worked nine years in various engineering positions before accepting her present assignment.
Amy recently made application for an affiliate in the Alabama Section of ITE. WELCOME ABOARD!
AFFILIATE (continued)

Although it may no longer be news, on April 1, 1988, David A. Kemp, P.E., an affiliate of the Alabama Section of ITE, became the District Engineer at Greensboro, Alabama in the Fifth Division of the State Highway Department.

David is a graduate of Auburn University and worked for the Department during the summer months while in college and became full-time after graduation in June, 1979. During his tenure he has served in the position of Bridge Inspector, Assistant Project Engineer, Division Traffic Engineer, Assistant Division Maintenance Engineer, Assistant District Engineer and now as District Engineer.

David comes from a family of road builders. His grandfather was a County Road Commissioner and both his great grandfather and father were Highway Directors. His father is former Highway Director Bobby Joe Kemp.

In addition to being an affiliate member of ITE, he is a member of the American Society of Civil Engineers.

If you have a ladder eight feet long and need to reach a height of nine or more feet you might wish to ask JOHNNY GERMANY, FIFTH DIVISION TRAFFIC ENGINEER, how best to compensate. However, you may get an answer as to how best not to rig the little rascal. Johnny, for the sake of safety and better control in work zones, don't do that again. Have a speedy recovery!

STUDENT NEWS

by Bob Vecellio

The Auburn University ITE Student chapter received the Outstanding Student Chapter Award from the Southern Section at the Annual Meeting in Baton Rouge in April. Student Chapter officers during the award winning year were President Norman Stiegler (now with the U.S. Navy), Robby Anderson (Watt & Estes, Inc.) and Ken Cush (Alabama Highway Department).

During Spring Quarter, the Student Chapter hosted 2 meetings. On April 21, Cecil Colson of the Alabama Highway Department spoke on "Alabama Traffic Accident Facts." On May 25, Ken Gilbert of Cecil Jones & Associates gave a presentation on "Airport Design Projects including Contracts & Specifications."

In May, the Student Chapter prepared a 14 page report, "Magnolia Avenue Pedestrian Study" for Engineering Faculty Council. The study conducted by 15 students concluded that a pedestrian overpass on Magnolia Avenue is not warranted. In July, the Chapter prepared a 30 page report, "Transportation Impact Report for Miller Avenue and Miller Avenue/Roosevelt Drive-College Street Intersection" for the Auburn City Engineer. The study conducted by 5 students recommended changes to Miller Avenue and its intersection with College Street in order to handle expected 1990 traffic loadings due to 5 new developments in the area (including the new Auburn Hotel & Conference Center and a new 350 car parking structure adjacent to the library).

Chapter officers during the 1987-88 year were President J. Keith Maxwell, Vice President Clay M. McBrien, and Secretary-Treasurer John E. Murphy III. Bob Vecellio is Faculty Advisor and Jim Harris is Alabama Division liaison member.

Tom Culpepper has changed jobs. In June he left the Department of Civil Engineering at Auburn University to accept a position with Kimley-Horn & Associates in Orlando, Florida. Tom, a past President of the Alabama Division, plans to continue his membership in the Division.
