President's Message

What a great meeting the Alabama Section had in Montgomery March 9. I would like to congratulate Lamar Strickland and the Local Arrangements Committee for a job well done. We had great attendance, the facilities were fantastic and Vice-President Bruce Thomason provided us with an outstanding technical program. The topics were very interesting and informative.

The District 5 Annual Meeting in Atlanta was also a great success, especially for the Alabama Section. Not only did our Section win the prestigious "Outstanding Section of the Year" award for the second year in a row, but our own Darrell Skipper was presented the "Marble J. Hensley Outstanding Individual Activity Award." A big congratulations to the section and especially to Darrell!! We are proud of you.

The Annual Meeting is just around the corner! This year the meeting will be held on June 8th and 9th and will be a joint meeting with the Deep South Section. As always it promises to be a great meeting, so make your plans now to attend and bring lots of good "stuff" for the Annual Auction. See you in Gulf Shores.

- Robert

SPECIAL THANKS...

to the students of the Auburn Chapter for furnishing mailing lists and labels.

SUPPORT THE SCHOLARSHIP FUND

Bring at least 1 or 2 items for the auction held at the banquet on June 8, 1995. This auction benefits the scholarship fund. Please do your part!!
SPRING MEETING MINUTES
March 9, 1995
Montgomery, Alabama

I. Call to Order:
The meeting was called to order at 12:50 p.m. by President Robert W. Adams.

II. Minutes:
President Adams called for corrections/additions to the minutes of the October 12, 1994 Fall Meeting as published in the Spring 1995 Newsletter. There being none, Bob Wolfe made a motion, seconded by Dave Griffin to accept the official minutes. The motion was approved by voice vote.

III. Officers/Director's Reports:
A. Secretary/Treasurer's Report:
The Fall 1994 Secretary/Treasurer's Report was presented by Vice-President Bruce Thomason for 1994. It was reported that the receipts for the year ending December 31, 1994 were $1,630.00 and expenditures were $2,183.36, leaving a balance of $8,085.33. The membership status was reported to be 89 Members, 50 Affiliate Class I, 62 Affiliate Class II and 4 retired members for a total membership of 205.

The current Secretary/Treasurer's Report was presented by James Brown detailing the receipts and expenditures since January 1, 1995. It was reported that the receipts were $1,370.00 and expenditures were $1,196.18, leaving a current balance of $8,259.15. The current membership status was reported to be 93 Members, 50 Affiliate Class I, 63 Affiliate Class II and 4 retired members for a total membership of 210. The membership report included 5 admissions (4-Member and 1 Affiliate Class II). It was also reported that the 142 members and affiliates have paid their dues, 25 owe $30 each, 6 owe $20 each and 33 owe $10 each.

A motion was made by Dan Turner and seconded by Ed Watt to accept the Secretary/Treasurer's Report as presented. The motion was approved by voice vote.

B. District 5 Representative Report:
Rod Long encouraged attendance at the District 5 Annual Meeting of April 2-5, 1995 in Atlanta, Georgia.

IV. Committee Reports:
A. Scholarship Foundation Report:
Dave Griffin reported the balance of funds in the scholarship account. Then, Dave Griffin challenged the section to come up with direction that the Scholarship Foundation should go (i.e., more scholarships given, more money given for one scholarship, etc.)

B. Newsletter:
Pat Alford stated she needed all information for the next newsletter by April 5, 1995.

C. Immediate Past President:
Locke (Bubba) Bowden reported that the Nomination Committee has come up with nominations for Secretary/Treasurer and District 5 Representative. Mr. Bowden also stated that the Awards Committee needed all nominations by April 1, 1995 for the Transportation Safety Award and Traffic Engineer of the Year.

D. Meeting/Site Selection:
Bruce Thomason stated that the annual meeting would be held in Gulf Shores on June 8-9, 1995 and the Fall Meeting would be held in Birmingham on October 12, 1995. The Spring Meeting in Auburn, the Annual Meeting in Gulf Shores and the Fall '96 Meeting in Tuscaloosa.

E. Local Arrangements:
Chairman Lamar Strickland reported a Fall Meeting attendance of 73.

F. Membership Committee:
Ken Cush reported that the Membership Drive had Jim Meads sponsoring 4 people and Vic McSwain sponsoring 2 people for 1995. He also reported that several applications had been submitted without a sponsor listed and hoped the sponsors would get in touch with him.

G. Legislative:
Don Arkle reported that there are proposed changes for the Engineering and Land Surveying Laws. See report in newsletter.

H. JECA
Don Arkle reported the reasons for the section to complete the Legislative Key Constituent Information to help JECA and other organizations in promoting our causes.

V. Old Business:
A. Mr. Zeke Willis thanked the section for our thoughts relative to his daughter's illness.

IV. New Business:
B. President Adams presented a plaque to Immediate Past President Locke (Bubba) Bowden in appreciation for his service as 1994 President. Bubba expressed his appreciation to Charles Alexander, the present and past officers and to the Alabama Section ITE.

VI. Adjourn:
The meeting was adjourned at 1:16 p.m.

SUCCESS
by Bessie Anderson Stanley

He has achieved success who has lived well, laughed often and loved much; who has enjoyed the trust of pure women, the respect of intelligent men and the love of little children; who has filled his niche and accomplished his task; who has left the world better than he found it, whether by an improved poppy, a perfect poem or a rescued soul; who has never lacked appreciation of Earth's beauty or failed to express it; who has always looked for the best in others and given them the best he had; whose life was an inspiration; whose memory a benediction.

GEM OF THE DAY:
Wonderful memories must be planned for in advance.

ALSITE NEWS
ALSITE Spring Meeting
March 9, 1995

The Spring 1995 Meeting of the Alabama Section Institute of Transportation Engineers was held on March 9, 1995 at the Arrowhead Country Club in Montgomery, Alabama. The meeting consisted of a morning technical session, a luncheon and a Section Business Meeting.

PROGRAM AND MEETING ARRANGEMENTS:
Lamar Strickland

AGENDA:

Registration
Welcome
William Flowers

Technical Session I
"Hurdles to Successful Access Planning"  
Jim Meads, Sain Associates

"Montgomery Area Transit System"  
Kloeb Loflin, City of Montgomery Planning, Programming & Transportation

Break

Technical Session II
"Communication Protocol for Traffic", David 
Roberts, Temple, Inc.

Mitchell Kilpatrick, Maintenance Engineer ALDOT

Luncheon

Section Business Meeting

ATTENDANCE:
44 Members  21 Affiliates  3 Students
5 Guests & Speakers

MEMBERSHIP DRIVE

Meads leads but can be caught. Jim Meads is currently leading the Membership Drive with 5 new members. Vic McSwain follows closely with 2 new members. Other Section members have said they are actively recruiting new members, so Jim and Vic better keep up the good work if they want to have that large cash $$$$ prize.

Signed,
The Membership Committee

ALSITE SUMMER MEETING
June 8 - 9, 1995
Quality Inn
Gulf Shores, Alabama

The Agenda for the Summer Meeting will be sent under separate mailing.

JECA
JOINT ENGINEERS COUNCIL OF ALABAMA

The elections are over and the legislative session is drawing near... now what do we do? Well, for starters you can fill out the enclosed form and become a JECA Key Constituent. Becoming a JECA Key Constituent does not require a great deal of your time, however your participation can have a very beneficial impact on the engineering profession. The information you provide will be kept in a database at the JECA office and when there are issues that affect your business directly, you will be informed and called on to contact your legislator.

Your participation is crucial to the success of the JECA Government Affairs Program. Please fill out the enclosed form and send it in today.

CALENDAR OF EVENTS

- June 8-9, 1995  -  Summer Meeting  
  Gulf Shores, Alabama

- October 12, 1995  -  Fall Meeting  
  Birmingham, Alabama

- March ?, 1996  -  Spring Meeting  
  Auburn, Alabama

- June ?, 1996  -  Summer Meeting  
  Gulf Shores, Alabama

- October ?, 1996-  Fall Meeting  
  Tuscaloosa, Alabama
WELCOME TO NEW MEMBERS...

- Charles D. Johnson
- Dwight Williams
- Linda Mosch
- Kevin Harrison
- Cedric Jerome Rutledge
- Steve Walker

PAST PRESIDENT'S SPOTLIGHT
Gerald Anderson

Mr. Anderson is currently employed by the Alabama Department of Transportation as the State Traffic Engineer. He has held this position since December 1993 and has made noticeable progress in making Alabama a safe place to drive a motor vehicle. Much of this can be attributed to his diligence and vast knowledge of traffic operations.

Mr. Anderson has been very active in ITE since 1972. He has served in various capacities including President of the Alabama District of ITE as well as on numerous national committees including the AASHTO Traffic Engineering Sub-Committee and the National Committee on Uniform Traffic Control Devices. It's obvious that he enjoys this career as it shows in his endeavors. The Alabama D.O.T. and ITE are fortunate to have him associated with their organizations.

Summer 1995

OFFICERS NOMINATING COMMITTEE REPORT

The Officer's Nominating Committee has recommended the following Members as candidates for Section office for 1995:

President
Bruce Thomason

Vice-President
James Brown

Secretary/Treasurer
Dr. Brian Bowman
James Foster

Affiliate Director
Lamar Strickland

Assistant Affiliate Director
Leo Bennett
Jace Chandler

Officers elected at the 1995 Annual Meeting shall serve from January 1, 1996 until December 31, 1996.

STATEWIDE PLANNING
Prepared by: Flynn Chandler

The Alabama Department of Transportation is in the process of preparing a Statewide Transportation Plan (STP). Under the provisions of the Intermodal Surface Transportation Efficiency Act of 1991 (ISTEA) the Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA) issued joint regulations governing the development of statewide planning and the eligibility of states for federal highway and transit funds.

The STP will be a document which describes the existing transportation system, discusses needs, provides policy direction, and defines the goals for planning and project development for the next 20-year period.

This document will lay the groundwork for the intermodal transportation system in Alabama. The financing of transportation projects and environmental legislation affecting project development and implementation will be addressed.

The Alabama D.O.T., along with the consulting firm of Post, Buckley, Schuh & Jernigan, Inc., is currently preparing the Interim STP, which will be submitted to the FHWA and FTA for approval in March 1995. Following approval, six Management Systems, information data bases influencing transportation program priorities, will be added to the final STP. The official STP must be submitted to the FHWA and FTA by October 1, 1995.
Nominations for Secretary/Treasurer

James Foster

James Foster is currently the Mobile County traffic manager working through the Mobile County Engineer's office where he has been employed since 1982. He is responsible for all traffic related functions and operations, oversees roadside vegetation management, and serves as personnel safety coordinator for the Mobile County Public Works Department.

James is a 1979 graduate of Industrial Design from Auburn University and has attended numerous transportation, safety, law and vegetation course studies at Georgia Tech., Auburn University, the University of Alabama, Alabama Department of Transportation, Alabama Department of Agriculture and Industries, American Red Cross, National Safety Council and ASCE. Since 1983 he has been an affiliate member of ALSITE. He became an associate member of International ITE in 1991 and became a member of ALSITE in 1992. James has also been a 12 year member of the Alabama Vegetation Management Society, a two-member of the National Roadside Vegetation Management Association, and a licensed commercial applicator in Alabama for the past 11 years. He is an ASCE Design of Low Volume Road Standards Committee Member, was a drafting instructor at Coastal Training Institute 1989-90, and has been a member of the Accident Review Board Committee for the Mobile County Public Works Department since 1992.

James is a native Mobilian. He and his wife Debi attend All Saints Episcopal Church, and they are active members of the Episcopal Marriage Encounter of the Gulf Coast Diocese. In his spare time, James enjoys golf, fishing, and home renovation.

Dr. Brian Bowman

Brian Bowman is an Associate Professor of Civil Engineering at Auburn University. Prior to joining Auburn University he was Manager of Civil Engineering with a private consultant based in Southfield, Michigan. While with private industry, Dr. Bowman conducted numerous studies for the FHWA, NHTSA, NHI, and State and local governments in addition to studies for private developers. His studies for the FHWA included developing a handbook on pedestrian facility planning and design, three projects related to railroad-highway grade crossings, truck safety and freeways and downgrades, narrow bridge countermeasures, and developing training materials. He was the Principal Investigator on the NHTSA project designed to access seatbelt use and misuse in 19 cities throughout the United States. His current projects include accessing Alabama's rail-highway program, a study of highway safety appurtenances for the FHWA, development of a bicycle/pedestrian facility design training course for the FHWA. He is a member of ITI, ASCE, and Chairman of the TRV Committee on rail-highway grade crossings.

Nominations for Assistant Affiliate Director

Leo W. Bennett

Mr. Bennett began his employment with what was then the Alabama Highway Department in the Bureau of Urban Planning in January, 1964. He worked in several phases of transportation planning for the several urbanized areas of the state. After promotion to Traffic Engineering I, he worked as project engineer for the Huntsville, Tuscaloosa, and Shoals Area transportation planning process. Mr. Bennett presently is Assistant Special Programs Engineer in the Bureau of Multimodal Transportation and works with transportation enhancement projects. Mr. Bennett earned a Bachelor of Science degree in Business Administration from Troy State University in 1976.

Mr. Bennett has been married for thirty years to his wife Nancy and they have two sons, Tracey and Leo, Jr. His hobbies include, fishing, hunting, and camping.

Jace T. Chandler

Mr. Chandler achieved a Bachelor of Science degree in Health Promotion/Health Science with emphasis on Recreation and Sports Management from Auburn University in 1989.

He is a member of the Auburn Alumni Association, Jefferson County Auburn Club and Affiliate I in the ITE.

Jace is currently involved in basketball and softball leagues and enjoys golf, bowling and tennis. He is employed as Sales Executive for Jim Chandler and Associates, Inc.
Legislative Key Constituent Information
1995-96

You can help the Joint Engineers Council of Alabama (JECA) Government Affairs Program SUCCEED by filling out this form! Being involved as a JECA Key Constituent does not require a great deal of your time. However, your efforts can have a very beneficial impact on our profession.

Check Your Political Party:  □ Democrat  □ Republican  □ Independent

Name:

Firm:

Firm Mailing Address:

City: State: Zip:

Bus. Phone: FAX: Hm. Phone:

List any State Agency Officials (Regulatory, Building, etc.) that you know:

Check any U.S. Congress Members that you know:

□ Howell Heflin - U.S. Senator

□ Sonny Callahan - U.S. Representative/District 1

□ Glen Browder - U.S. Representative/District 3

□ Robert "Bud" Cramer - U.S. Representative/District 5

□ Earl Hilliard - U.S. Representative/District 7

□ Richard Shelby - U.S. Senator

□ Terry Everett - U.S. Representative/District 2

□ Tom Bevill - U.S. Representative/District 4

□ Spencer Bachus - U.S. Representative/District 6

Describe your relationship with any State/Congressional Delegates (i.e., if you worked on their campaign, neighbor, relative, colleague, former classmate, etc.):

Your assistance in returning this information to JECA can make the difference between the passage or the failure of legislation beneficial to the engineering profession!!! If you have any questions, please contact Jennifer Dingman, Executive Director of JECA, at (334) 264-1500. Please return this form to:

Joint Engineers Council of Alabama
660 Adams Avenue, Suite 333
Montgomery, Alabama 36104

Additional Comments
CHANGES PROPOSED FOR ENGINEERING AND LAND SURVEYING LAW
Prepared by Don Arkle

As a result of the joint meeting of the Board, Deans and Engineering and Land Surveying Societies in May of 1994, a committee was formed to study the registration law regulating the practice of engineering and land surveying. The committee consists of representatives from the Dean’s Council, SME, AICHE, ASCE, IEEE, ASME, ASPLS, CECA, and JEECA.

The Board presented two primary issues for the committee to study. One was a request from ASPLS to consider a PLS on the Board. The second issue was to consider the amount of money that the Board was allowed to carry over to the next fiscal year, which is presently set at $70,000. The committee was also commissioned to study the entire law for any other changes that may be appropriate.

Four amendments to law have been proposed for this legislative session. Two amendments will drop the PE requirement from the position that is currently filled by a PE/PLS. Another amendment will eliminate any limitation on the amount of money that can be carried over from one fiscal year to the next. The fourth amendment will allow the Board to charge a fee for an interim permit for an applicant who has applied for registration through reciprocity. These amendments will be offered with sunset legislation.

Other changes have been proposed by the committee, and are still under study include making the law gender neutral and eliminating some exemptions after the year 2005. A change in the definition of land surveying has also been proposed, but there has been no agreement among the societies on this revision. These changes will continue to be studied by the committee and possibly offered as changes at another time.

ABOUT PEOPLE ...

There were over 800 participants for the annual Transportation Engineering Conference held at the Montgomery Civic Center, February 14-15, 1995. It was nice to see ITE members who currently live out-of-state such as PAT McCARTHY from New Jersey, HAROLD ESTES and ED WATT from Tennessee be involved in promoting Transportation Engineering for our state.

ZEKE WILLIS gave an update at the Spring Meeting regarding his daughter, KRISTIE WILLIS who has Cystic Fibrosis. He said she had successful surgery and is in fact now attending Samford University in Birmingham. We are all pleased to hear the good news.

ANOTHER BANNER YEAR

The Alabama Section was well represented at the Southern District, District V meeting held April 2-5, 1995 in Atlanta, Georgia. It was reported that there were about 25 Alabama Section members present when it was announced that our section had won the Outstanding Section of the Year Award for the second year in a row. This is great news! Our section has won this prestigious award 4 out of 5 years. Let's keep up the good work. And to top the meeting off, it was announced that Darrell Skipper has won the Marble Hensley Award for outstanding traffic engineering achievements. Congratulations to Darrell on his success.

Reminders

- All information needs to be in by April 7, 1995 for the May newsletter and by August 11, 1995 for the September newsletter.
- Call for Papers - The Southern District invites you to submit an abstract of a technical paper on just about any transportation topic, no later than October 1, 1995.
- T-Shirt Sales - Support the Scholarship Fund by buying an ITE T-shirt for $10.00. See Locke Bowden for details.
