President’s Message

Our hat’s are off to the Tuscaloosa crew, Joe and David, for putting together our best Spring Meeting to date. Nearly one hundred attended the Meeting at the Daimler-Benz facility located in Tuscaloosa, AL in March. The plans are in the works for a joint meeting with the Tennessee Section in 2001. Our Local Arrangements folks are doing an outstanding job providing the Section with great meetings. With this continued success, the gang at Vulcan may be forced to raise the bar for all future meetings. The crew from “LA” certainly knows how to put a good meeting together! Pay attention John & Bob, you guys are next at Auburn!

The Southern District Meeting in Greenville, SC was a success as well. Jim Meads is the President-Elect of the District. Jim will do a great job as he serves at the District level. We are proud to have one of our own advance in ITE leadership position. Please lend him your support and encouragement. ALSITE was represented very well at this Meeting in April. Ronnie Poiroux of ALDOT’s 9th Division in Mobile gave one of the best transportation innovation presentations, “1-10, US 98 Bayway Fog Detection System,” as the States were showcased during the Technical Sessions. As usual, ABD demonstrated their hospitality and catered our indulgences.

ITE International will be showcasing its Annual Meeting right in our own backyard. The Opryland Hotel in Nashville, TN is the site. August 6-9, 2000 is the date. You should plan to attend. Rarely will this meeting be this close. ALSITE should be well represented because of this. Take advantage of this tremendous opportunity to engage at the International level. I had the opportunity to hear the International VP candidates in Greenville. Each are vitally concerned about the direction and future of the Institute. Please remember to vote at the International level this year.

Recently, I sent a letter to every member of International ITE who resides in the State an invitation to ALSITE membership. Some positive responses are coming back. I hope you will encourage peers in your own circle of influence to join ALSITE if they have not done so already. Hope to see each of you at the Gulf!

Tim Taylor

Southern District ITE Report

I attended the 48th Southern DistrictITE Annual Meeting in Greenville, South Carolina on April 15-19, 2000. The Alabama Section was well represented with over twenty-five people attending. The folks in South Carolina put together a wonderful program with events that everyone enjoyed.

In August, the International ITE meeting will be held in Nashville at the Opryland Hotel. If you are interested in going and did not receive your packet of information, please contact me for it. Also next year's meeting will be held in Williamsburg, VA on April 22-25, 2001. It may seem a long way off, but plan on attending.

At the Southern District board meeting, Tom Brahms discussed “Traffic Operations Practitioner Certification” and mentioned that there are 49 PTOE’s. Mr. Brahms stated they had estimated only 1000 PTOE’s in the first 5 years. The PTOE study guide is now on the ITE website. Mr. Brahms also mentioned the Millennium Fund and asked for contributions. We also discussed that the District Newsletter and Yearbook could be downloaded from the Southern District website.

We were also able to meet the two candidates for International Vice President, Ms. Jenny L. Grote, PE from Phoenix, Arizona, and Mr. Steven D. Hofener, PE, PTOE from Oklahoma City, Oklahoma. If you are interested in their views, please ask some of the people that attended the meeting.

The section awards have a new twist. There are two categories now, Group 1 for large sections and Group 2 for smaller sections. The Alabama Section is in Group 2, and we expect to win next year. The Deep South Section won best section for Group 2 and North Carolina won Group 1. Karen Mohammadi (KY) won the Joe Thomas Young Engineer of the Year Award, Mr. Gene Arnold (VA) won the Marble J. Hensley Outstanding Individual Activity Award and Gaye Sprague (SC) won the Herman J. Hoose Distinguished Service Award.

Please offer your assistance to the Southern District President-Elect Jim Meads. Jim will serve as President beginning in January. Jim is also the fourth President of the Southern District from Alabama. I know Jim will do an excellent job. Congratulations Jim!

As your representative, I wish to voice your opinion and thoughts. If at anytime you would like to contact me or ask a question, please use my new email address: jbrown@almonassociates.com or call 1-800-844-2105. In order to report all the great and wonderful ideas of our Section, an open line of communication is required.

James Brown

Office Relocation

Bill Carwile has reported that Haworth, Meyer, & Boleyn, Inc. has moved their Montgomery Office. Their new address is:

Haworth, Meyer & Boleyn, Inc.
7009 Brockport Court
Montgomery, AL 36117
334.277.1002
334.277.1984 (Fax)
The 28th Annual Meeting of the Alabama Section ITE has been scheduled for June 7 through June 9, 2000. The meeting location is the same as last year, the Holiday Inn - White Sands Resort. The White Sands Resort is located in Gulf Shores, Alabama on East Beach Boulevard (AL 180) approximately ½ mile east of the Gulf Shores Parkway (AL 59).

As usual, following the Annual Banquet and during the Gulf Orientation Fellowship which is sponsored by the Business and Consultant Groups, we will conduct our Annual Scholarship Auction. The success of the auction is dependent upon your participation in bringing articles to the auction and in driving up the price of these items on Thursday night.

ALABAMA SECTION ITE
28th ANNUAL MEETING
White Sands Resort
Gulf Shores, Alabama

TECHNICAL/SOCIAL PROGRAM

Wednesday June 7, 2000

10:00 a.m. - 3:00 p.m. - Registration (Lobby)
1:00 p.m. - 1:15 p.m. - Welcome
1:15 p.m. - 3:00 p.m. - PROFESSIONAL DEVELOPMENT SESSION
3:00 p.m. - 3:30 p.m. - Break
3:30 p.m. - 5:00 p.m. - TECHNICAL SESSION I
5:00 p.m. - Adjourn

Thursday June 8, 2000

7:00 a.m. - 10:00 a.m. - Registration (Lobby)
8:00 a.m. - 10:00 a.m. - TECHNICAL SESSION II
10:00 a.m. - 10:30 a.m. - Break
10:30 a.m. - 12:30 p.m. - TECHNICAL SESSION III

6:00 p.m. - Till - Awards Banquet and Scholarship Fund Auction

Friday June 9, 2000

8:30 a.m. - 9:30 a.m. - Section Breakfast
9:30 a.m. - 11:00 a.m. - ALSITE Business Meeting
12:00 Noon - Technical Tour
ALSITE Spring Meeting Minutes  
March 9, 2000  
Tuscaloosa, Alabama  
Mercedes Benz Complex

I. Call to Order:
President Tim Taylor called the meeting to order at 1:20 p.m. The meeting was conducted in the multi-purpose building of the Mercedes Benz Institute

II Officers/Directors Reports:
A. Secretary/Treasurer’s Report:
1. End of year 1999 Secretary/Treasurer’s Report - January 31, 2000 as presented by Becky White for Stacey Glass:

   Treasury Balance on October 6, 1999: $3,541.89
   Receipts since October 6, 1999:
   - Annual & Fall Meeting Proceeds and Dues: $4,730.65
   - BellSouth Refund and Dues: $25.40
   - Check Void: $246.00
   Total Receipts: $5,002.05
   Disbursements since October 6, 1999:
   - BellSouth - Phone Service: $42.64
   - ITE Student Chapter Auburn: $150.00
   - Postage for Miscellaneous Mailouts: $55.77
   - Fall Meeting Supplies: $60.00
   - Fall Meeting Caterer: $1,400.00
   - Income Tax Preparation: $253.65
   - ALSITE Scholarships Fall Meeting Proceeds: $305.00
   - JECA Dues: $100.00
   - Bank Analysis Charge: $4.74
   Total Disbursements: $2,371.80

   Treasury Balance on January 31, 2000: $6,172.14

2. Secretary/Treasurer’s Report - January 31, 2000 to March 8, 2000 as presented by Becky White:

   Treasury Balance on January 31, 2000: $6,172.14
   Receipts since January 31, 2000:
   - Newsletter Advertisers: $1,050.00
   Total Receipts: $1,050.00
   Disbursements since January 31, 2000:
   - BellSouth - Phone Service: $10.58
   - Newsletter Advertisement Refund: $25.00
   - Miscellaneous Postage: $33.00
   Total Disbursements: $68.58

   Treasury Balance on March 8, 2000: $7,153.56

3. The Board has approved a new member application. The Section welcomes Darnell Spenser as an Affiliate II. The ALSITE membership status is as follows: 97 Members, 36 Affiliate Class I, 30 Affiliate Class II, and 4 Retired Members for a total membership of 167. A motion was made by James Foster and seconded by Ken Cus to accept the year-end Secretary/Treasurer’s Reports as presented.
ALSITE Spring Meeting Minutes (Cont.)
March 9, 2000

B. President’s Report:
President Tim Taylor invited John McFadden to make an announcement. The University of Alabama Transportation Center is sponsoring a seminar on Tuesday, March 14 entitled Video for Traffic Management and Safety. The seminar is open to the public and attendance is free of charge. There will be a materials fee of $50 for the seminar binder. The speaker is Joe Shoeltime from ITS Seminars. Anyone interested in attending can see John for more information.

C. Vice-President’s Report:
Vice-President Stacey Glass began by thanking Joe Robinson and David Griffin for a great meeting in Tuscaloosa. Future meetings of the Section are described as follows:

◆ The Annual Meeting dates are June 7, 8, & 9 in Gulf Shores.
◆ The fall meeting will be held in Auburn; no date has been set at this time.
◆ No date or location has been set yet for the Spring 2001 meeting. The Section Board is seeking recommendations regarding location and is considering the possibility of holding a joint meeting with the APA.
◆ The fall meeting will be a joint meeting with the Tennessee Section, possibly to be held in Chattanooga.

Last night the Board approved a motion to provide funding up to $250 to JECA to assist in sponsoring a legislative reception.

D. Past President’s Report
Robby Anderson reported that he attended the end-of-year District 5 Board Meeting on behalf of the Section. ALSITE has good representation on the Board, especially with one of our Members, Jim Meads, on the Board. Our Section report was as good as any presented by the other represented Sections.

It is time to make nominations for officers. Robby asked that all members would be receptive if asked to serve the Section. It is also time to accept nominations for the Transportation Safety Award. Nomination forms are in the Spring Newsletter. Please submit nominations as soon as possible.

As JECA representative, Robby Anderson reported that JECA has a new Executive Director. JECA wants to sponsor another legislative reception. ALSITE has been asked to support that reception, and the Section Board voted last night to provide support. It is important that our membership attend the reception if we are lending our financial support. Robby asked that our membership to put Tuesday, April 18 on their calendars and plan to attend the JECA legislative reception at the RSA Plaza in Montgomery. Tim Taylor will send a letter to the membership as a reminder. Robby asked that members call their local representative and let them know they will be at the reception. Legislative issues being considered in Alabama this term are graduated licensing for drivers and registration licensing for interior designers. There is also a movement to create a State Transportation Commission. As part of JECA, our dues help to pay for an online legislative search that can be found at www.legislature.state.al.us.

E. District 5 Representative Report:
James Brown reported that the 48th Annual Southern District Meeting will be held in Greenville, South Carolina from April 16-19 at the Hyatt Regency. Conference room rates are good through March 22. The 2001 Annual Meeting will be held in Williamsburg, Virginia, and the 2002 Annual Meeting will be in New Orleans, Louisiana.
ALSITE Spring Meeting Minutes (Cont.)
March 9, 2000

F. Affiliate Director’s Report:
   Walter Dorsey had no report.

III. Committee Reports:

A. Scholarship:
   David Griffin reported that interest earned in 1999 plus surplus interest from 1009 make a
   combined total of $3,140.81 available for scholarships this year. The end of year balance for
   ALSITE Scholarships’ account is $66,533.41. David emphasized that contributions to the
   Scholarship fund are always welcome and appreciated.

B. Local Arrangements:
   David Griffin reported that attendance at the Spring Meeting included 88 paid registrants, and
   102 people were fed at the luncheon.

C. Newsletter:
   Tim Taylor reported on behalf of Zeke Willis that ALSITE News has 10 repeat advertisers this
   year and 6 new advertisers. Newsletter submissions for the summer issue will be due around
   mid-April. If you did not receive your copy of the newsletter, check with the Auburn Student
   Chapter to see if your address is correct on the mailing list.

D. Meeting and Site Selection:
   Tim Taylor asked that if anyone is interested in hosting the Spring 2001 meeting they should
   speak to Stacey Glass or someone on the Board.

E. Technical:
   Tim Taylor reported on behalf of Bob Vecellio that the Technical Committee had arranged for
   a presentation at the District Meeting by Ronnie Poiroux. Mr. Poiroux will present a report on
   the fog detection warning system on I-10 in Mobile. This presentation will be part of a series
   at the District Meeting focusing on a project of interest from each state. Dr. Vecellio also
   reported that he has received two submissions for the Southern District’s Sponsored Technical
   Paper competition.

F. Technology Transfer:
   John McCarthy reported that Alabama would host the Southeastern Local Roads Conference at
   the Grand Hotel in Point Clear on May 15-17. The T² Center is seeking sponsors and
   exhibitors for the meeting. John also reported that last year’s ALSITE Scholarship winner
   from Auburn, Tracy Hamml, was in attendance.

G. State Safety Coordinating Committee:
   The committee is emphasizing awareness of the graduated licensing bill that is before the
   legislature.

IV. New Business: Bob Wolfe reminded the Section of the upcoming International ITE annual meeting in Nashville this
   summer. He would like to see our Section members take a larger part in International ITE. Bob encouraged our
   membership to attend the annual meeting this year.

   President Tim Taylor recognized the leadership and contribution of Robby Anderson to the Alabama Section. Robby was
   presented with a plaque thanking him for his leadership as President during 1999.

V. Adjourn: A motion was made by Gene Gardner and seconded by Stacey Glass to adjourn the meeting. President Taylor
   adjourned the meeting at 1:53 p.m.

Respectfully Submitted,
Rebecca D. White
Secretary/Treasurer
Call for Technical Papers and Committee Reports

The following definitions and preparation requirements have been determined by the Southern District:

**Technical Papers.** The term “Sponsored” implies that the paper was prepared essentially as part of the author's job responsibility and on company time. The term “Non-Sponsored” implies that the paper was prepared on the author’s own time and essentially apart from his/her job responsibility. To qualify for the competition, the paper must meet the following requirements:

1. The author(s) shall be a member of the Southern District
2. The paper shall be typed, double-spaced, on one side of the page, and shall be a minimum of 1,500 words in length.
3. The paper shall have been completed since December 1, 1999.
4. The original and seven (7) copies shall be submitted to the Chair of the Technical Council (see below) no later than December 1, 2000.
5. The cover letter should clearly state when the paper was completed and whether the paper is being submitted for the sponsored or non-sponsored award along with an explanation related to the above definitions as to that category choice.

Papers will be judged on the basis of originality (20%), significance (20%), scope (15%), validity (20%), and Applicability (15%). **Cash prizes of $150.00 for the winner and $50.00 for the runner-up will be awarded in each category.**

**Technical Committee Reports.** To qualify for the competition, the report must meet the following requirements:

1. The report shall be written by a technical committee officially established by a Section in the Southern District.
2. The report shall be typed, double-spaced, on one side of the page, and shall be a minimum of 1,500 words in length.
3. The report shall have been completed since December 1, 1999.
4. The original and seven (7) copies shall be submitted to the Chair of the Technical Council (see below) no later than December 1, 2000.
5. The cover letter should clearly state when the paper was completed.

Reports will be judged on the basis of originality (20%), significance (20%), scope (15%), validity (20%), and Applicability (15%).

Papers and reports should be submitted to Gene Arnold, Chairman, SDITE Technical Council, c/o Virginia Transportation Research Council, 530 Edgemont Road, Charlottesville, VA 22903. Please address any questions to 804.293.1931, FAX 804.293.1990, or e-mail garnold@vdot.va.us.
Officer Nominations Announced

The ALSITE Officer’s Nominating Committee has recommended the following Members and Affiliates as candidates for Section office for 2001:

President: Stacey N. Glass
Vice President: Rebecca D. White
Secretary/Treasurer: Fred Brown
     Ken Cush
Southern District Representative: James Brown
Affiliate Director: J. G. Meyer
Assistant Affiliate Director: Mike Chambliss
     Tim Franklin

Officers elected at the 2000 Annual Meeting will serve from January 1, 2001 until December 31, 2001.

The following information has been provided in regard to the candidates for Secretary/Treasurer:

**Fred Brown, P.E.**

Fred Brown is currently working for the City of Mobile as the Assistant Traffic Engineering Director. He is a registered Professional Engineer in the State of Alabama. He joined the Institute of Transportation Engineers in 1996 and has been a Member since October 1998. He is also a member of the American Society of Civil Engineers and served as the Student Chapter President his senior year of college and was the District contact person for The Younger Member Committee in 1990-1991.

Mr. Brown served as the Division Traffic Engineer at the Alabama Department of Transportation’s Ninth Division in Mobile from 1993-1996. He served as a project engineer from 1990-1993 in the Ninth Division Construction Section. He is a graduate of The University of South Alabama. He is married and has two daughters.

**Ken Cush, P.E.**

Ken Cush graduated from Prattville High School in 1982. Then in 1987 he graduated with a Bachelor of Civil Engineering degree from Auburn University. His first year after graduation, Ken worked with the Florida DOT in the Lake City District Office. He then returned to Alabama to work in ALDOT’s Central Office Design Bureau from 1988-1993. In 1994 he transferred to Alexander City to be the Fourth Division Traffic Engineer.

In 1997, Ken married the former Kristen Newberry of Alexander City. They have one child, Will. Ken enjoys golf and has been a registered Professional Engineer since 1986. Ken currently serves as Membership Chairman for the Section. In October 1999 he coordinated local arrangements for the Fall Section Meeting at the Talladega Speedway.

Please vote. You may vote by returning the OFFICIAL VOTING ENVELOPE provided earlier by mail, or bring it to the Annual Meeting in Gulf Shores. Ballots may be hand delivered to Becky White or any Officer prior to the close of Technical Session III on Thursday, June 8, 2000.
ALSITE Scholarship Announced

On May 24, 2000, the Board of Directors of ALSITE Scholarships, Inc. announced the winner of the 2000 Charles E. Alexander Transportation Engineering Scholarship as Douglas Robert Peterson, a graduate student in Transportation Engineering at Auburn University. Douglas is expected to receive his MSCE from Auburn where he is currently maintaining a 4.0 GPA. He received his BSCE from The University of Alabama in the Fall of 1995. Mr. Peterson is from Hamilton, Alabama and was employed by Marion County as an Engineer-Intern for three years before deciding to return to school for his graduate degree.

Douglas is a member of the Capstone Engineering Society, the American Society of Civil Engineers, as well as the Institute of Transportation Engineers. He is a graduate of the Marion County Leadership Program and a member of the First United Methodist Church in Hamilton and a member of the Hamilton Masonic Lodge No. 344. He currently lives in Auburn with his wife who is also a full-time student.

Congratulations on this prestigious award.

Invitation to Nashville

The Nashville Local Arrangements Committee and the Tennessee Section of ITE has issued a special invitation to all Southern District members to come to Nashville for the 70th Annual ITE Meeting. This year's conference will be held August 6-9 at the Opryland Hotel. This location provides ALSITE Members with a great opportunity to attend an International Meeting showcasing a major city in our region. For more information contact ITE at 202.554.8050, ITE on the Web at www.ite.org or the Tennessee Section at www.tsvite.org.

Mercedes Tour Crowns Spring Meeting

Attendees of ALSITE's Spring Meeting enjoyed a great day at the Mercedes Benz complex in Tuscaloosa. The facility, owned by Daimler Chrysler Corporation, assembles the Mercedes M-Class series of sport utility vehicles. The meeting was held in the complex's state-of-the-art employee training center and included a tour of the assembly plant and museum. One of the most impressive aspects of the plant tour was Mercedes' just-in-time delivery system for outsourced vehicle components. Most of these outsourced parts are delivered directly to the assembly line as needed and in correct order, rather than being warehoused on site. Tour participants viewed M-Class vehicles being assembled from start to finish. The only disappointment was that no free samples were given.

After the plant tour, ALSITE members heard technical presentations on the use of cameras in reducing red light running and on technical innovations in development for future Mercedes vehicles. All that excitement was then wrapped up with a steak dinner and a short business meeting. We couldn't have asked for better treatment.

Another interesting and exciting meeting is on tap for the 28th ALSITE Annual Meeting in Gulf Shores June 7-9, 2000. If you want to learn more about Gulf Shores and the Alabama Gulf Coast, check out these web sites:

ITE Student Chapter News

The 24th annual Engineering Day was held on the Auburn University campus on February 25th, 2000. E-Day is an open house for the College of Engineering to introduce future students and parents to the different engineering curricula. To help reduce the added traffic congestion associated with E-Day, the Auburn University Student Chapter of the Institute of Transportation Engineers implements an annual shuttle system to transport visitors between designated parking areas. Since 1976 when it was first started, the shuttle system has been an unqualified success. This year was no exception as 395 participants utilized the three-vehicle shuttle system between the hours of 7:30 a.m. and 1:30 p.m. A peak van shuttle ridership was observed between 7:30 a.m. and 9:30 a.m. The total cost of the vans was $73.50 and the cost per shuttled passenger was $0.19 per trip. An additional 655 persons arrived via buses which were directed by ITE students to unload at Foy Union. No serious difficulty arose this year due to the excellent organization of the Engineering Council and the represented organizations. A total of 16 ITE students helped to implement the shuttle system.
