President’s Message

I’m having trouble catching my breath with all that’s been happening lately in ITE. Let me see if I can update you. In March the ALSITE Strategic Planning Committee held a full day workshop in Birmingham to develop a draft update to our strategic plan. The session was hosted by Darrell Skipper and facilitated by Dan Turner. The workshop was well attended --- getting a dozen busy professionals to donate a full day of time to strategic planning is a feat in itself. But we didn’t just meet; we accomplished something. If you attend the annual meeting in Gulf Shores you will have an opportunity to hear and comment on the draft plan. I think you’ll be impressed with the vision that is laid out and the specific challenges that our Section can address. It’s a much over-used phrase, but I’m fired up! If we will adopt and implement these strategic goals, we will see a real increase in energy and impact in our Section.

In April, I and approximately 20 other Alabamians went to the District ITE meeting in New Orleans. We enjoyed a great time in the French Quarter. As always, the ABD hosted great parties. Thanks go to Tommy Lee and his local arrangements committee who always know how to help folks have fun. The technical program included an emphasis on transportation accomplishments in each of the southeastern states over the past 50 years. Bob Wolfe did us proud with a humorous and educational look at Alabama’s past. The highlight of the District meeting was the awards banquet. For the first time in several years, Alabama was recognized as an Outstanding Section. The Section award is a tribute to the hard work that your Board of Directors put forth in 2001. Stacey Glass and James Brown worked very hard to put together an excellent year end report. I hope this will be the beginning of a new winning streak for Alabama. After accepting the Outstanding Section award, I sat down and began listening to the presentation of the Herman J. Hoose Distinguished Service Award. After a few minutes I began to smile with recognition and approval as it became clear who this year’s recipient would be. Darrell Skipper is most deserving of this recognition for outstanding service, and we can all be very proud that he hails from the Alabama Section. As I said, the awards banquet was the highlight of the meeting!

You will want to know that our Section has nominated the Alabama Department of Transportation to receive recognition by International ITE for their annual Transportation Achievement Award. The nomination was prepared on the basis of Alabama DOT’s response to the I-65 bridge incident earlier this year. The selection of recipients for this award will be made at the next International Board meeting. Keep your fingers crossed for our friends; they certainly deserve the recognition.

Through a generous contribution from Tim Taylor, the Section Board of Directors has prepared logo golf shirts and wind vests for sale to our members. The shirt sale is a fund-raising effort for the ALSITE Scholarship Fund. You will find detailed information about the shirts in this newsletter. I want to encourage you to buy a shirt and/or vest. It will help you show your pride in our organization and support a future scholar at the same time.

As I write this column we are only five weeks away from the Annual Meeting in Gulf Shores. Bob Vecellio and Ken Cush have put together a strong technical program, and the Vulcan gang is ready for a crowd. Don’t miss out on the best beach meeting around (even the International ITE Board members are talking about what we’ve got going in Gulf Shores). Make plans to be with your ITE colleagues from June 12-14, and don’t forget to bring something for the scholarship auction. I’ll see you there!

Becky White

Southern District ITE Report

The 50th Anniversary, Southern District ITE Annual Meeting, was held in New Orleans at the Royal Sonesta Hotel and if you were not there, you missed a very good time! Not only did you miss a good meeting, but you missed our award recognitions.

Alabama Section
Best Section Award - Group 2

Auburn Student Chapter - Runner-up
Best Student Chapter Award

Darrell Skipper - Herman Hoose Distinguished Service Award.

CONGRATULATIONS!
The ALSITE participants, including the spouses and ABD members, numbered twenty-two. The entire meeting registration had approximately 360 participants. Thirty-five ABD exhibitors displayed a variety of transportation products.

The technical programs were very enlightening and some of the history lessons from each Section’s “50 Years of Progress” were very humorous. Mr. Bob Wolfe gave an excellent overview of our past. Our transportation system has escalated so much in the past 50 years! It compels me to wonder what directions will the next 50 years bestow the great state of Alabama?

One of the primary themes at the meeting surrounded our future, those “up-in-coming” students looking at transportation as their career choice. We have been challenged to do more, a lot more, with our student chapters. In the past, only 8-9 of the 20 student chapters have been involved. From these, only a few are active in the SDITE student paper competition. We need to reach out and encourage them. In the past we have stood a position of “students should come to our meetings and get involved with us”, and this is ok, but what is truly needed is for us to go to them and ask “what can we do for you?”. This is something that we all must do. I will be asking you to please give as much as possible to our student chapter, (and hopefully our new student chapter?), your time and talents. The future transportation professionals need our support!

Another topic of interest was the commitment from ITE to allow all Sections and Districts to use their internet web page server in Washington D.C.. This would give us a permanent location to store our homepage. This service would still require our Section to maintain and update “our information”, but would interconnect and link us with all the others. This may be a great way to share and receive information and to know what’s going on in our ITE organization.

Future Annual Meeting Schedule:
2003 Winston-Salem, North Carolina, April 13 - 16
2004 Covington, Kentucky
2005 Savannah, Georgia
2006 Gulfport, Mississippi
2007 Knoxville, Tennessee
2008 Charleston, South Carolina
2009 ??????, Alabama

James Foster

AU ITE STUDENT CHAPTER NEWS

Engineering Council Representative, David Welch, reported that the ITE Student Chapter successfully implemented a van shuttle system on campus for E-Day, open house for high school students and parents, on February 22. Three vans shuttled 551 persons between a remote parking lot and Foy Union. An additional 416 persons arrived on 13 school and charter buses. Nine ITE students installed parking signs, drove the vans and directed bus traffic.

The Student Chapter hosted two technical presentations in April:
April 2 - “1-65 Bridge Replacement in Birmingham”
Juan Carlos Ospina and Kevin White, Brasfield & Gorrie, Birmingham
April 5 - “Transportation Design and Career Opportunities”
James M. Hunnicutt and Allan Davis, Hunnicutt Davis Associates, Kensington, MD

The Student Chapter received the 2001 Best Student Chapter Runner-Up Award from the Southern District ITE at the New Orleans Annual Meeting on April 23. Chapter officers were Emily Fuqua, Doug Peterson and David Welch.

Personal Updates

Mike Gray has been named an Associate with Almon Associates, Inc.

Fred Brown has joined Volkert Construction Services as a Project Engineer.
The ALSITE Scholarships Fund Raising Campaign for the Billy Jones Scholarship has resulted in contributions totaling $1,700. **Please consider making a tax deductible contribution** to this worthy cause if you have not yet sent in your contribution. Since 1986 ALSITE has awarded 24 scholarships with a total value of $48,000.

**For Sale**

Thanks to a generous contribution and hard work from Tim Taylor, the Alabama Section has produced some very nice golf shirts and wind vests with the ALSITE logo. These items are available for purchase with all net proceeds to be donated to the Scholarship Fund. The shirts and vests will be sold at the registration table in Gulf Shores.

**Golf Shirts - $25.00**
- White with navy trim and logo on the sleeve
- Sizes M -- 2XL (these are men's sizes)
- Quantity available - 75

**Wind Vests - $35.00**
- Navy with navy trim and logo
- Sizes L -- 2XL
- Quantity available - 25
Project Spotlight

On Saturday, January 5, 2002 traffic in the I-65 and I-20/59 interchange in Birmingham was halted after a traffic accident involving a car and a gasoline tanker truck. The accident caused a gasoline explosion in the truck that burned underneath the southbound I-65 bridge. The accident occurred at approximately 10:30 a.m. in the morning and by 11 a.m. firefighters were on the scene trying to contain the blaze, along with ALSITE member Bill Davis and Alabama Department of Transportation (ALDOT) personnel. The heat from the fire was estimated to be 2000 degrees and melted the steel beams and caused a sag of approximately 10 feet in the main span; the bridge was damaged beyond repair.

Bill Davis and the ALDOT Maintenance Personnel worked from 4 p.m. on the day of the accident through Tuesday, January 8, 2002 to remove the bridge. On Sunday, one lane of traffic was opened northbound on I-65 with two more lanes opened on Tuesday afternoon. All northbound lanes were opened to traffic on Friday, January 11, after the removal of all debris from the area. The return of traffic on the southbound I-65 depended on the construction of a new bridge.

ALDOT designed the new bridge plans in 4 days. The project was bid and a joint venture between the Morris Group and Brasfield and Gorrie were selected to construct the project. The project had a 90 day desired schedule of completion, with $25,000 per day incentive to finish early and the same amount as a per day penalty for late completion. The incentive for an early finish, sound project management, the responsiveness of the ALDOT, along with a 7 day per week/24 hour work schedule allowed the project team to finish the project in 37 days, 53 days ahead of schedule.

The construction of this bridge marked several “firsts” in Alabama, which included the longest modified bulb-T span ever used in the state and Framex Forms for forming the bridge columns. Framex Forms are a European system which had never been used on an ALDOT project before. The other first for the project was the use of upended box culverts to form the bridge footings. The use of the upended box culverts allowed the contractor to back-fill immediately after each concrete pour.

Thanks to the effort of the ALDOT and all participating agencies and consultants, the only loss of life resulting from the accident was Mr. Tim Dison, the gasoline tanker truck driver.

Thanks to Bill Davis of the ALDOT and Becky White for their contributions to the article.

Officer Nominations for 2003

The Officers Nominating Committee has recommended the following Members and Affiliates as candidates for Section office for 2003:

**President:** Ken Cush
**Vice President:** Timothy Westhoven
**Secretary/Treasurer:** Walter (Doc) Dorsey
  Kerry NeSmith

**Affiliate Director:** Larry Profit
**Assistant Affiliate Director:** Rocky Garrison
  Jim Stewart

Ballots for the 2003 Alabama Section Officers were mailed on May 21, 2002. You may return ballot by mail in the OFFICIAL VOTING ENVELOPE provided or bring it to the Annual Meeting in Gulf Shores. Ballots returned by mail must be received by June 1, 2002. Ballots returned at the meeting must be hand delivered to Secretary/Treasurer Tim Westhoven prior to the close of Technical Session III on Thursday June 13.

The following biographical sketches have been provided by the candidates. Please carefully consider each candidate and participate in the Section by voting responsibly. Officers elected at the 2002 Annual Meeting will serve January 1 to December 31, 2003.

**Candidates for Secretary/Treasurer**

**Walter (Doc) Dorsey** has served as the City Engineer for the City of Opelika since 1988. Prior to working for the City of Opelika, he was employed as a Project Engineer with Volkert and Associates in Mobile and a Project Manager with Harmon Engineering Associates in Auburn. Doc is a 1981 Civil Engineering graduate from Auburn University, and has held his professional engineering license since 1986. He is presently registered in Alabama and Mississippi. Doc has been a member of ITE since 1989. In 1999, he served as the Affiliate Director for the Alabama Section, and currently serves as the Auburn University Student Chapter liaison. Doc is also a member of the American Society of Civil Engineers (ASCE) and is a presenter for Operation Lifesaver. He has served on Auburn University’s Highway Research Center Advisory Committee since 1998.

Doc has been married for 5 years to the former Amy Cole of Birmingham. They live in Opelika and are members of First Baptist Church. Doc is currently a board member of Keep Opelika Beautiful, and has served on the boards of the Opelika-Auburn Jaycees and Opelika Main Street, Inc. He is a 1991 graduate of Leadership Lee County.

**Kerry NeSmith** was born and raised in Albertville, AL. He graduated from Mississippi State University in 1987 with a bachelor’s in Civil Engineering. He has been registered as a Professional Engineer in Alabama since 1994. He has been a member of ITE for 10 years. Kerry was employed for 3.5 years in municipal public works with City of Albertville. For the past 11 years, he has been employed with the Alabama Department of Transportation. He was first hired as Assistant Division Traffic Engineer. In 1994, he assumed the duties of Division Traffic Engineer.

Kerry is active in First Baptist Church, Albertville serving as deacon and Sunday School teacher. Kerry enjoys gardening and golf in his spare time. He is married to former Lisa Springfield of Albertville since July 1996.

**Candidates for Assistant Affiliate Director**

**Rocky Garrison** is employed with Traffic Products, Inc. and has been serving Alabama in the traffic industry for almost 13 years now. He has been an affiliate member of ITE and ALSITE during that time. Rocky graduated from Tusculum College in 1987 with a B.S. in Business Administration.

Rocky lives in Decatur, AL with Casandra, his wife of 4½ years, and their young daughter and son; Taylor is almost three years old, and Jacob just turned one. Rocky is the Worship Leader at Autumnwood Baptist Church in Decatur and has been serving in the ministry for a little over eight years. He is involved in a number of competitive sports, he loves to hunt and fish, and spends all his “free” time in the outdoors.

**Jim Stewart** is Vice-President and General Manager of Vulcan Signs in Foley. He is a native of South Baldwin County and graduated from the University of the South in Sewanee, Tennessee, in 1974, with a B.A. in Economics. Jim has been with Vulcan since 1974, serving as Sales Manager for the first 20 years. He is active in many local organizations, and is a member of several industry organizations including ITE and ATSSA. He has worked closely with ALSITE during his entire career, handling registration and various other local arrangements for the annual meeting in Gulf Shores.

Jim lives in Bay Minette with his wife, Anne. They have two daughters, Leanne (22), who will graduate from the University of Mobile in May, and Meagan (19), a freshman at Samford University. Jim enjoys golf and being on the water.
ALSITE STRATEGIC PLAN UPDATE

The Strategic Planning Committee has been hard at work in recent months. At a workshop in mid-April, the Committee developed a revised mission statement, goals and objectives. The Draft of this effort is presented in this issue of the newsletter for the general membership review and comment. It is the Committee's intention to review the Draft with the membership at the annual meeting in Gulf Shores with adoption at the business meeting as a goal. All members are requested to review the Draft and provide comments via email or at the annual meeting. Email responses should be transmitted to dskipper@inline.com or faxed to 205-655-8825. See each of you in Gulf Shores.

"Draft" Mission Statement
Alabama Section Institute of Transportation Engineers
May 9, 2002

The mission of the Alabama Section Institute of Transportation Engineers (ALSITE) is to provide leadership in developing, operating and improving the transportation system for the citizens of Alabama. ALSITE promotes the transportation profession by educating and developing its members and the transportation community.

Goals

**Goal One:** Serve Governmental Agencies

Objective #1: Address the technical needs of the Alabama Department of Transportation by identification of critical areas that would be met through training activities developed and offered by ALSITE

Objective #2: Assist local governmental agencies in addressing their technical needs through training activities and presentations at organizational meetings

Objective #3: Provide expertise to other organizations throughout the state, such as Metropolitan Planning Organizations, developers and ADECA

Objective #4: Take a leadership role in the development and adoption of model ordinances

**Goal Two:** Provide service to our membership

Objective #1: Develop member's technical capabilities through professional development, strong technical programs at all meetings and continue the annual meeting as a "center piece" for the Section

Objective #2: Communicate with the membership through email, web page and the newsletter

Objective #3: Recognition of membership by communicating individual awards received at section, district and international levels.

Objective #4: Recruit and nurture young members

**Goal Three:** Outreach

Objective #1: Perform service projects throughout the year

Objective #2: Establish additional student chapters at other state institutions

Objective #3: Continue and expand the scholarship program

Objective #4: Provide public awareness of ALSITE through a speakers bureau, contact with local news agencies and by public relations training for members
2002 ALABAMA SECTION ITE
30TH ANNUAL MEETING
June 12 - June 14, 2002

WEDNESDAY JUNE 12TH
10:00 p.m. - 3:00 p.m. Registration (Lobby)
1:00 p.m. Welcome - Becky White, President, ALSITE
1:05 p.m. PROFESSIONAL DEVELOPMENT SEMINAR
Sponsored by University Transportation Center for Alabama, University of Alabama and
Alabama Technology Transfer Center, Auburn University
Presiding: Bob Vecellio, Chairman, ALSITE Technical Committee
Critical Analysis Reporting Environment (CARE): Basic and Advanced Tutorials
   Dr. David B. Brown and Dr. Daniel S. Turner, University of Alabama, Tuscaloosa

3:15 p.m. Break
TECHNICAL SESSION I - Presiding: Ken Cush, Vice President, ALSITE
3:30 p.m. The Role of Aeronautics in the State of Alabama
   Dr. John Eagerton, ALDOT, Montgomery
4:00 p.m. Green Springs Highway: A Successful Alabama Streetscape Project
   John R. Stewart, Gresham, Smith & Partners, Birmingham
4:30 p.m. Redefining ALSITE's Mission
   Darrell B. Skipper, Chairman, ALSITE Strategic Planning Committee
5:00 p.m. Adjourn

THURSDAY JUNE 13TH
TECHNICAL SESSION II - Presiding: Tim Westhoven, Secretary-Treasurer, ALSITE
8:00 a.m. Multi-modal Transportation Facilities: The Evolution of Bicycle and
   Pedestrian Design Guidelines
   Dr. William J. Davis, The Citadel, Charleston, SC
8:30 a.m. Jefferson County Youth Transportation Program
   Dr. Steven L. Jones, Jr., University of Alabama at Birmingham
9:00 a.m. Factors that Influence Trip Making for Alabama's Urban Residents
   Dr. Michael D. Anderson, University of Alabama at Huntsville
9:30 a.m. Birmingham Alternatives Analysis: Future Transit in Birmingham
   Steve Ortmann, STV, Inc., New York, NY
10:00 a.m. Break
TECHNICAL SESSION III - Presiding: Mike Chambliss, Affiliate Director
10:30 a.m. Beach Restoration in Gulf Shores
   Chuck Hamilton, City of Gulf Shores
11:00 a.m. Identifying High Risk Groups for Seatbelt Campaigns
   Dr. Jay Lindly, University of Alabama, Tuscaloosa
11:30 a.m. Signal Timing in a Congested Corridor: A Case Study of U.S. 280
   Andrew Sullivan, Sain Associates, Birmingham
12:00 p.m. State and City Perspectives of an Interstate Bridge Crash
   Mike Mahaffey, ALDOT
   John Garrett, City of Birmingham
12:30 p.m. Adjourn - Lunch “on your own”
2:00 p.m. – 4:00 p.m. Technical Plant Tour
5:00 p.m. – 6:30 p.m. Officers Reception – Pool Deck
6:00 p.m. – Awards Banquet and Scholarship Fund Auction

FRIDAY JUNE 14TH
8:00 a.m. – 10:00 a.m. Section Breakfast followed by "Traffic Bowl IV"
10:00 a.m. – 11:30 a.m. Section Business Meeting
1:00 p.m. Technical Tour
ALSITE Spring Business Meeting Minutes
March 5, 2002
Auburn Conference Center

I. Call to Order:
President Becky White called the meeting to order at 12:50 p.m.

II. Minutes:
Richard Caudle made a motion to accept the Fall meeting minutes as published. The motion was seconded by Bubba Bowman. They were approved by voice vote.

III. Board of Director's Report:
A. Secretary/Treasurer's Report
   1. End of year 2001 Secretary/Treasurer's Report - 12/31/01 as presented by Tim Westhoven for Ken Cush:

A motion to accept the Secretary/Treasurer's Report as presented, was made by Scott Skipper, seconded by John McCarthy and approved by voice vote.

B. Vice-President's Report
Vice-President Ken Cush reported on the Board of Director's meeting that was held on January 25, 2002. The Board discussed its objectives for the coming year:
1. Developing student chapters for UAB and/or UAH.
2. Complete update of strategic plan.
3. Develop ALSITE sponsored training seminar for ALDOT, possibly on new MUTCD.

The Board also removed members of the section who were in arrears of 2001 dues payment.

C. Past President's Report
Stacy Glass reported that the Spring Newsletter contains the ALSITE Safety Award Nomination form. He asked that we please get these in by April 1, 2002.

D. District 5 Representative Report
James Foster reported:
1. The Southern District ITE meeting will be held in New Orleans April 21-24, 2002 at the Royal Sonesta. This will be the 50th anniversary.
2. The 2003 meeting will be in Winston-Salem, North Carolina.

E. Affiliate Director's Report
No Report.

IV. Committee Reports
A. Membership
No Report.

B. Scholarship
David Griffin gave the following report for 2001:
1. Beginning of year fund balance is $75,370.25
2. Interest earned is $4,128.90
3. Past Presidents donations to Billy Jones Memorial is $1,432.00
4. Meeting surcharges collected - $1,010.00
5. Corporate donations of $1,000.00
6. Directed gift of $2,500.00

10. Balance as of March 1, 2002 is $80,877.67

C. Newsletter
Natalie Hobbs reported that 183 Spring Newsletters were mailed out. There were 12 advertisers included. Two additional advertisers will be added in the Summer Issue. There were collections of $1025.00 and after expenses there is a total of $566.73. Contributions for the Summer Newsletter are due May 10, 2002.

D. Legislative
No Report.

E. JECA
Bob Kolar reported that JECA hosted a Legislative Reception during Engineers Week. There were 325 attendees, including Governor Don Siegleman, members of the Legislature and Engineers. JECA is tracking a number of bills through the legislature. Two of these are H85 and H391. These bills can be found on the web site. For more information of the web site, contact Bob Kolar.

F. Meeting Site Selection
Ken Cush wanted to review that the next meeting will be in Gulf Shores on June 12-14, 2002. The tentative date for the Fall Meeting is October 10, 2002 in Tuscaloosa.

G. Technology
Bob Vecellio thanked the 10 speakers for their contributions to the meeting. Several speakers are willing to provide copies of their presentation if anyone would like them.
H. \[ T^2 \]
John McCarthy reported that there are Training Courses on the \( T^2 \) website.

I. State Safety Coordination
No Report.

V. Old Business
President Becky White made a presentation to David Griffin of a check for $570 to go to the Scholarship Fund. She also made a presentation to Stacey Glass of the Past President’s Plaque.

VI. New Business
Stacey Glass defined a nine-step process for updating our Strategic Plan.

VII. Adjourn
Becky White adjourned the meeting at 1:25 p.m.

Tim Westhoven
Secretary, Treasurer
