This is your last chance to make fun of my President’s Message writing skills. I have enjoyed this past year as President, and thank you for allowing me the opportunity to serve such a fine group of people. Over the last three years, I have had the chance to get to know quite a few of you better than I ever wanted to. Thank you for putting up with me.

The Annual meeting in Gulf Shores was a tremendous success. When you see Dr. Vecellio and Chris Reeves, let them know what a great job they did in coordinating the presentations. When you see Jim Stewart and Tommy Lee, make fun of them both. Next year’s meeting is a joint meeting with Deep South. We’ve always had a great showing for the joint meetings, so mark June 4-6 on your calendars now.

As far as meetings go, I’m excited about the upcoming fall meeting at the Barber Vintage Motorsports Museum. The museum is the largest motorcycle museum in America, and possibly in the world. Please make every effort to join us October 4th in Birmingham. Registration information is provided in this newsletter (see Page 6).

The Alabama Section has been dedicated to assisting the next generation of traffic engineers. The scholarship fund has grown quickly to well over $100,000. For as long as I can remember, funds have been raised primarily through the scholarship auction. This format has worked successfully for years, and should be continued wholeheartedly. However, our Section should not be content with what we have been doing. Several of our members have stepped up and presented the Bass Tournament as an additional fund raiser for the scholarship fund. Cody Long and his group should be applauded for their efforts. I’m sure the event will be a success and I’m even more sure that the “lost fish that would have won it all” stories will be plentiful.

In my previous messages, I’ve talked about how we need to be doing more to give back to our profession and our society in general. Becky Malenke has risen to the challenge and accepted the position of chairman of the service projects committee. She has come out of the blocks strong and the first project is underway. The Section is attempting to reach out to students by allowing them to “shadow” our members at work. If you are willing to be a mentor for a day, please contact Becky. Her contact information can be found in the directory on the last page of this newsletter.

Regrettably, it is my duty to inform the members of the Alabama Section that during the Annual meeting, one of our members, Marwan Abboud, lost his wife, Denise, in a drowning accident. I visited with Marwan briefly after the incident, and he asked that I thank the many friends that offered their support and prayers. I ask that the ITE family continue to pray for Marwan and his family during these trying times.

Have You Visited Our Website Lately?

Be sure to visit the ALSITE website at www.alsite.org. The ALSITE website is continuously updated and includes information such as: past newsletters, upcoming meetings and events, member’s websites and email addresses and much, much more! Everyone is encouraged to check their email address on the website to verify its accuracy. Also, Associated Businesses Division (ABD) members should provide a link to their website to John McCarthy at tsqjrmc@eng.auburn.edu.

Special thanks go to John McCarthy for maintaining the ALSITE website.
ALSITE Needs Your Help
Please provide us information concerning individual activities of members of ALSITE that we can use to help prepare the annual report. The annual report is the basis of the Outstanding Section Award and our individual activities play a large role in the evaluations. Please send your information to Robby Anderson at robbi.anderson@prattville.com.

Fishing Tournament Notice
Due to extremely low lake levels and predictions from Alabama Power that they will drop further, the ITE Bass Tournament has been moved from Logan Martin Lake to Lay Lake. Logan is projected to be dropped to near 2’ below normal winter pool, while Lay is expected to remain at reasonable safe levels. All times and terms of the tournament will remain the same, just the location will change. Please pre-register for the event by faxing or emailing a copy of the registration form (see page 14) to Cody Long.

2007 Annual Meeting Memories

As David said in his President’s Message, the Annual Meeting in Gulf Shores was a tremendous success. Great thanks go Dr. Vecellio, Chris Reeves, Jim Stewart and Tommy Lee for all their hard work. And, our hearts certainly go out to Marwan Abboud and his family.

Below are just a few of the photos taken during the Annual Meeting by James Foster and Chris Reeves. Thank you gentlemen for sharing these with us.

Matt Maurin (left), Tommy Lee (center), and Jim Stewart (right). Great Job Guys!

Congratulations! David Turner (left) presents Locke D. “Bubba” Bowden (right) with the 2007 Transportation Engineer of the Year award.

ITE International Vice President Elect Kenneth Voigt (left) and ITE International Vice President Alf Guebert
Having “company” to the house was my mother’s premier reason for demanding that we children get things cleaned up and in order. The idea was that we present our best appearance so our guests would feel welcome and later leave with fond memories of their visit. Now I’m calling for our ALSITE family to get ready, because company is coming! In April of 2009, our state will host the Annual Meeting of the Southern District ITE. The host city for SDITE 2009 is Birmingham, and the meeting dates are April 19-22, 2009. Put these dates on your calendar now and make a commitment to help us host a memorable meeting.

Sign Up for a Sub-Committee
Lots of help is needed to host an SDITE annual meeting. I am currently staffing positions for chairpersons of each sub-committee of the Local Arrangements Committee (LAC). Several of our ALSITE members have already responded to my appeal for sub-committee chairpersons. Once those are finalized, we will need to staff each sub-committee with volunteers. Following is a list of all the LAC sub-committees. Please look over the list and think about where your particular talents or interests can be utilized. Please, don’t all sign up for the Golf sub-committee!

Local Arrangements Sub-Committees
- Entertainment
- Financial
- Golf
- Hotel
- Meeting Report
- Publicity
- Registration
- Special Guests
- Sponsorship
- Spouse Activities
- Technical Program
- Technical Tours
- Traffic Bowl

Help Us With a Theme
It is a tradition in the Southern District that the host state develops a logo and theme for their meeting. This year’s theme in Tennessee was an acronym for ITE: Informing, Teaming, Engaging. The idea is that the meeting theme expresses something about the technical content or the host city. When Alabama hosted the SDITE in Montgomery, the meeting logo utilized the city’s marketing theme “Heart and Soul of the South.”

We need to develop a theme and logo for the 2009 Birmingham meeting, so I’m asking you to think creatively and send me your suggestions. If you aren’t creative, ask your spouse for an idea. The more ideas we have, the better. I’ll even offer to take the person with the best suggestion out to lunch. How’s that for an incentive! Send your theme suggestions by email to bwhite@sain.com. I look forward to hearing from you.

REGISTRATION FORM

Tournament Notes & Guidelines:

- The main goals of this tournament are to raise money for the ITE scholarship fund and to have fun in the process. ITE membership is not required to participate, however it is requested that the tournament participants be limited to ITE and friends of ITE.
- Any additional donations to the ITE Scholarship fund beyond tournament entry fees are welcomed, however not required.
- On-site check in and registration will begin at 4:30 AM the morning of the tournament. The registration cut off time will be determined the morning of the tournament (based upon the time of safe daylight) and posted at the registration table.
- The tournament director will conduct a short pre-tournament meeting at the registration cut off time to go over tournament rules and to cover any special conditions that may be present at the time of tournament.
- Tournament blast off will be according to registration flight card numbers.
- Early registration is recommended. Payment is not necessary for pre-registration (however it is welcomed). It will be acceptable to fax a copy of the registration form to the address shown to satisfy pre-registration requirements for the tournament.
- There is a possibility of pairing some non-boaters with boaters needing a partner for the tournament. Any ITE members interested in fishing as non-boaters and any boaters needing a partner should contact the tournament director during the pre-registration period. There is no guarantee that there will be anyone needing a partner, but we will do all we can to make sure everyone that wants to participate can.
- A tournament t-shirt will be included for each team member registered in the event. Please indicate shirt sizes for each team member on your registration form.
- Receipts for tournament entry fees will be available the day of the tournament for those who need them.
